Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Monday 02 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mostly cloudy. Evening showers fading, but a few persisting overnight.

This Evening and Tonight:
Evening showers may be slow to die out, with a few lingering through the night. Largely cloudy skies, especially at first, with clear spells most likely after midnight and across northern and eastern parts. Light winds. Minimum temperature 11 deg C (52 deg F).

Tuesday:
Some brightness in the morning with isolated showers. Sunny spells but also sharp and slow-moving showers developing by the afternoon. Many parts staying dry, however. Light winds. Maximum temperature 21 deg C (70 deg F).

Outlook for Wednesday to Friday:
Sunny spells and heavy showers developing each day, perhaps thundery downpours. These perhaps more widespread Thursday and merging into longer spells of rain. Temperatures near normal or rather cool.
